

## **Dunk Island Spit - Campsite Rules**

Welcome to Dunk Island!

**Please Note:** There is currently construction work taking place around the Campsite and Spit. These areas have been fenced off. Please stay clear of these areas for your own safety.

During your visit we ask that you adhere to the Campsite Rules for your own safety, the safety of others and the protection of the environment:

1. Make sure you've booked your campsite! This is a paid campground, so campers need to book and pay for their campsite. If you haven't yet paid you can do so by contacting:  
Mission Beach Water Taxi: +61 (07) 4068 8310
2. The resort area, inclusive of the pool and buildings, is private property and therefore access is **strictly prohibited**. People caught trespassing will be reported and could face prosecution.
3. The resort airstrip is active, and access is also **prohibited** - and do not enter this area.
4. Please stay on the walking tracks at all times - shortcutting damages vegetation and causes erosion.
5. Please remove all rubbish when leaving the campsite to keep it clean and tidy. There are no bins on site.
6. Respect those around you and know your limits, disruptive behaviour excess alcoholic intake and use of illegal drugs will not be tolerated.
7. Restrict noise after 10pm and before 7am. Generators are not permitted at any time.
8. Leave your pets at home - domestic animals are not permitted in national parks or intertidal zones as they disturb native wildlife. This includes the walking tracks, the beaches, the rocks and mangroves surrounding the campsite.
9. Do not feed wildlife - it can affect the natural population balance.
10. Know your own health limitations for safe water activities—do not put yourself and others at risk and always snorkel with a buddy so that help is at hand. Dangerous stinging jellyfish are present in the coastal waters during Stinger Season.
11. Campfires are permitted within your campsite only. Please bring your own firewood, taking wood from the island is strictly prohibited
12. Evacuation. In case of fire make your way to the end of the jetty.
13. Enjoy yourself! Stay hydrated, stay sun safe and enjoy the beauty of Dunk Island.

On site you will find the available facilities:

- Filtered water
- Picnic tables
- Power points in public areas
- Toilet and shower facilities
- Telstra & Optus mobile reception

**Please Note:** the gas BBQs are currently unavailable for use so please bring your own stove for cooking.

**For any enquiries our Site Ranger can be contacted on 0447 451 933**

We thank you in advance and hope you enjoy your visit.
